INTERNATIONAL MALAYSIA LAW CONFERENCE

CREATING PRECEDENCE

The International Malaysia Law Conference ("IMLC"), a flagship event of the Malaysian Bar, has its origins in the Malaysian Law Conference, which began in 1971.

The inaugural Malaysian Law Conference was declared open by the then-Prime Minister of Malaysia, Tun Abdul Razak Hussein, on 15 July 1971. With the rapid advancement of the Malaysian economy and the meteoric rise of Asia, the Malaysian Law Conference evolved to keep up with the times.

In 2012, the Malaysian Law Conference was re-imagined as the International Malaysia Law Conference, a turning point in the history of the series, establishing a new paradigm in the present era of increasing globalisation.

The IMLC logo consists of a segmented circle with gradients of shades of blue. The breaking sections of the circle represent how the law affects, and is affected by, three large sectors: government, economy and society. The emblem symbolises a congregation of minds and sharing of ideas in one fluid and dynamic environment.

To participate in **IMLC 2020** and for enquiries, you may contact the following persons:

Navigating the Present, Exploring the Future

Innovation. Technology. Digitalisation. Specialisation. Where are our lawyers at? Are they ideally positioned to fully leverage the opportunities created by the challenges of a demanding present and future? Are they ably equipped to tap into and harness the positive potential of the expanding domestic and global markets?

IMLC 2020 is poised to address the concerns and hurdles legal practitioners face, with the determination to equip them for a rewarding future and to provide a vision for robust growth. We want our lawyers to be **inspired and empowered, steadfast yet versatile, resolute and unafraid**, and at the ready to **embrace the transformations** in the evolving legal landscape.

In line with the theme “Navigating the Present, exploring the Future”, IMLC 2020 is conceptualised by a silver globe, with Malaysia highlighted in gold. The globe is overlapped by a golden hibiscus or bunga raya, the national flower of Malaysia.

How do these relate to the theme?

Gold and silver signify a **premium conference** and its enduring qualities.

Gold is the colour of **courage, passion and wisdom** — traits that lawyers need to possess.

The **hibiscus or bunga raya** signifies the **Malaysian identity** on the global legal platform.

The word “bunga” in Malay means “flower”, while “raya” in Malay means “celebratory” or “grand”. The Hibiscus rosa-sinensis is literally known as the “**celebratory flower**” in Malay.

The **five petals of the hibiscus** signify the five **Rukun Negara** or National Principles (declaration of national philosophy) of Malaysia.

The **globe** symbolises a positive shift in mindset in order to **navigate** one’s world differently, and **explore** beyond one’s perceived reality — resulting in a broad view of potentials, without being constrained by apparent but limiting solutions.
